Build a Better World Final Program

(Held at CML but you can sign up for this event at either AML or CML!) This program is funded by the Michael J. and Aimee Rusinko Kakos Fund.

Dear Library Friends,
 We are always happy to have you sign up for our programs in advance, but **if you find you won't be able to attend, please let us know.** When people register for events that they don't attend, it costs the library money. Some presenters charge us according to the number of people who have signed up and so if fewer people come we're still charged the higher rate. Sometimes we have a waiting list of people who would like to attend a program with limited space and we'll be able to let other patrons in if we know there are cancellations. And when we provide food or craft materials at an activity we base the amount we buy on the number of registrants, so it goes to waste if fewer people attend.
We understand that last-minute changes happen but if you do realize that you won't be able to join us, please help the library by letting us know. Thank you!

Programs marked with a "(TT)" are funded by Teddie's Treasures

Report at all branches: AML, CML, & Bookmobile. SRP ends SATURDAY, AUGUST 5th at 1PM! Prize winners will be notified August 7th.
